

SHKF also completes voluntary Minibonds repurchase initiative for eligible secondary market customers

Hong Kong, 2 July 2009 – Sun Hung Kai Financial (“SHKF” or the “Group”), Hong Kong’s leading non-bank financial institution, is pleased to announce that following the early completion of its voluntary repurchase of Lehman Brothers Minibonds from more than 300 eligible primary market customers in March, the Group has now concluded the process for its 16 eligible secondary market clients.

The repurchase initiative was announced on 22 January 2009, and drew an overwhelmingly positive response from customers and the broader Hong Kong community. Initially, the Group expected that the primary market repurchase initiative would be completed by 27 March, however, it was substantially completed on 6 March, three weeks ahead of schedule. Subsequently, the Group undertook a similar repurchase scheme for its eligible secondary market customers, with the final case completed last week.

Mr. Lee Seng Huang, Executive Chairman, Sun Hung Kai Financial, said: “The prompt execution of this initiative is testament to the Group’s commitment to consistently delivering the highest levels of customer service, and it is a pleasing note for the Group and our valuable customers during our 40th Anniversary celebrations. I’d like to thank our staff for their professionalism, dedication and hard work, and recognise and thank our valued customers for their patience and continued support.”
